

# Drawing Prompts

A prompt is a word or words that get you thinking about a certain topic! Below are some Drawing Prompts. Choose 2 or more drawing prompts and complete them at your own pace throughout the week.

<p><b>Go Outside!</b> Find something to draw (maybe a tree, flower, the sky). Sit down if you can, observe it, and draw it!</p>	<p><b>Draw a Robot</b> using supplies you have at home!</p>	<p><b>Draw your favorite food</b> (or any food!) using supplies you have at home!</p>
<p><b>Check out <a href="http://toytheater.com/category/art/">Toy Theatre</a></b> and use the Doodle Pad tool to create a drawing on your screen! <a href="http://toytheater.com/category/art/">http://toytheater.com/category/art/</a></p>	<p><b>Draw a picture of an object in your home!</b> Observe it and try to recreate it with a pencil and paper!</p>	<p><b>Draw a self portrait</b> (a picture of your face!) using supplies you have at home!</p>

Reflection:

- \*Did I use my time well and not rush?
- \*Is my drawing unique and my own ideas?
- \*Something new I learned when doing this drawing is \_\_\_\_\_ .
