Day 4- Reading

Directions: Read the story *Chester's Way* by Kevin Henkes. Illustrate a picture of Chester in the middle. List character traits of him in the bubbles.

Chester's Way Character Traits

A worksheet template for character traits. It features a central square frame with a small house icon in the middle. Surrounding the frame are six rounded rectangular bubbles. The top-left and bottom-right bubbles have dashed borders, while the others have solid borders. The left and right bubbles have two small black dots at the top and bottom corners, and two short diagonal lines on the left and right sides, respectively, suggesting they are meant to be cut out.
